

## Transforming **CHALLENGE** into **TRIUMPH**

Success for students with special learning needs

# Precision Academics Resource Bank

*The Precision Academics Resource Bank has been developed by highly experienced professionals to support schools and families in the provision of Best Educational Practice for Curriculum Differentiation to support Inclusive Education for students who have Down Syndrome.*

*The Precision Academics Resource Bank gives you the practical, professional and affordable help you need to encourage every student, especially those who have special learning needs, to celebrate and achieve as "Lifelong Learners"*

- ✓ It provides a fantastic Resource Base (over 7,000 pages & over 500 Workbooks) for schools and families
- ✓ It contains Workbooks and Activities which can be tailored to suit students of all ages and ability levels – from pre-school age through to adulthood
- ✓ It provides outstanding curriculum-based, resource support of special learning needs, and is particularly suitable for students who have **Down Syndrome**
- ✓ All resources are suitable for students and teachers who use spoken and / or signed communication
- ✓ All resources are highly visual, stimulating, engaging and completely success-based, promoting mastery learning for confidence, self-esteem & skill development
- ✓ All resources are **outcomes-based**, supporting Curriculum & Key Learning Skills, including Assessment and Work Sample pages to track student progress
- ✓ All resources are linked directly to Curriculum Outcomes - Mainstream & Life Skills and can fit seamlessly into Individual Education Plans. Work Samples and record keeping are built directly into each Workbook.
- ✓ The flow of the program enables the smoothest possible transition, as students move from pre-school through formal schooling and into adult learning

**"Precision Academics provides a fantastic line of workbooks for pre-school age to young adult learners. These workbooks are specially designed for those with special needs... It takes a lot to impress me, so I have to tell you that these workbooks knocked my socks off!"**

Kristy Colvin, President of the International Mosaic Down Syndrome Association

**"This is an excellent resource for students who have Down Syndrome or other special learning needs. The Workbooks provide great access to age-appropriate, differentiated curriculum to support Inclusive Education.**

Dr. Ashleigh Molloy, President of the Down Syndrome Assoc. of Toronto; Awarded 2007 Educational Leader of the Year by the Council for Exceptional Children.

The Precision Academics Resource Bank is written by Val Gray, an Educational Psychologist and Special Education Consultant. Val has over 25 years experience working with children who have special learning needs.
